With over 30 years of operational experience in Tanzania we have a deep understanding of hospitality and the environment in which we work.
We have built a team of the very best in the industry, from our management teams to those responsible for service delivery.

Full-Circuit Solution

With 5 high-end properties spanning the main national parks and conservancies in northern Tanzania, we offer a one-stop solution to satisfy all your needs.
For consistency of guest experience and a 'hassle-free' booking experience, Karibu awaits your call.

Curated Experiences

We understand our guests and their needs. Our carefully-curated experiences, opportunities, added-values and extensions ensure guest satisfaction and make Karibu the most enticing and exciting proposition for your clients and our guests.

Looking Forward - New Properties for 2026/7

We are delighted to announce the imminent arrival of two new additions to our portfolio - Infinity & Raha.
Both properties will be located in Central West Serengeti and will be underpinned by the same guest-service experience as our other properties; and of course, our new builds will maintain our proud credentials sustainability through low-impact design and renewable energy.

Our Collection

Karibu's collection of properties is thoughtfully situated within Tanzania's most iconic national parks. We have locations in Tarangire National Park, Ngorongoro Conservation Area and the Serengeti National Park, each offering stunning landscapes, optimal access to the resident wildlife, and luxury accommodations and service.

Our camps and lodges are designed to provide a memorable safari experience, combining the natural beauty of Tanzania with warm hospitality and a touch of elegance.
